

RS Pro Clear 3D Printer Resin, 1kg

ENGLISH

RS Stock No.: 145-8346 | Brand: RS Pro

Product Details

Flexible UV polymers are ideal for making objects where you want a little flexibility, but still a hard object. Thin objects will compress and deflect enough to bend and return. They exhibit very low tensile shear properties and high elongation, objects can be bent and compressed with some force

Specifications

Attribute	Value
Printing Technology	SLA
Printing Material	Resin
Colour	Clear
For Use With	Laser Printer
Weight	1kg
