- **Versatile Application:** Suitable for assembly, maintenance, and repair tasks.

RS PRO Pair of Interchangeable Polyurethane Striking Tips, 50mm Diameter

RS Stock No.: 0747560

RS Professionally Approved Products bring to you professional quality parts across all product categories. Our product range has been tested by engineers and provides a comparable quality to the leading brands without paying a premium price.

Product Description

The RS PRO Pair of Interchangeable Striking Tips is crafted entirely from high-quality polyurethane, ensuring durability and non-marring performance. These tips are designed for easy replacement on compatible mallets, providing controlled impact and shock absorption. Perfect for applications requiring gentle force and protection of delicate surfaces, such as assembly and maintenance work.
