## RS Pro 4 Piece Imperial Combination Spanner Set

RS Stock No: **537-5905**

### Product Details

RS Pro 4 piece imperial ratchet spanner set is supplied in moulded plastic case. The half-moon reversible gear spanner is designed to reach areas where standard tools cannot. The curved shape eliminates the problem of reaching round obstacles. It is made of high quality, from a fully hardened and tempered, chrome vanadium steel. It delivers a super smooth motion in both directions, ensures a hardwearing essential tool for any environment, especially useful for automotive technicians.

### Features and Benefits

- Dual access reversing levers allow direction changes from either side
- 5° ratcheting box ends
- Surface drive design on box ends all but eliminates fastener rounding
- Made of chrome vanadium steel
