RS Pro 250 Piece Steel Thread-Forming Screw Kit, M3, M4

RS Stock No: **483-1319**

Product Details

RS Pro screw kit contains 250-pieces of M3 and M4 threaded screws. This thread forming screw is suitable for metal having a tri-lobular cross-section capable of forming or rolling a metric thread into the material into which they are installed. The screw kit is ideal for use with pre-drilled or punched holes in a wide range of ductile metals. It features case hardened carbon steel construction with bright zinc plated and passivated finish.
