

C1997LM/9P
Metric Long Ball End Coloured Hex L-Key Set - 9 Pcs

PRODUCT DETAILS

- Hexagonal tipped coloured L-key set with ball end of 9 pieces, long in metric
- 1.5, 2, 2.5, 3, 4, 5, 6, 8, 10
- Easy fit function: securely held and very easy to take out and insert the L-keys thanks to an exclusive fitting system
- Easy find color identification, following the colour wheel by size
- Edge plus: chamfered edge design allowing greater surface contact
- Durable holder with soft-touch to ensure that all L-keys are stored securely and well-organised
- Injection moulding grip with soft-touch feeling: pleasant, non-slip grip and oil resistant
- Phosphate finish: protection against corrosion, providing a long lasting life
- Ball end: ideal for working in confined and hard-to-reach spaces
- Long arm provides higher torque transmission and accessibility
- High quality steel, entirely hardened
- Laser-marked and thereby wear-resistant size identification for a quick accessibility to each size
