## DESCRIPTION

U-Power technical work socks offering elevated comfort and performance thanks to PowerFit technology, which combines graduated compression and fatigue-reducing properties for proper blood circulation.

Equipped with ankle support bands and polypropylene ventilation channels, they ensure optimal stability and breathability. Flat seams under the toe prevent friction, while the Cordura®-reinforced heel and toe provide increased durability over time.

Perfect for tackling long workdays with comfort and resilience.

The product is available in a two-piece lot.
