## Product Description

The Snips Clothing Cutters are heavy duty medical shears ideal for the removal of clothing and other fabric from injured casualties. The high quality stainless steel blade and chunky plastic handles ensure the blades are durable, long lasting and easy to use.
The shear's blades are angled and the lower blade carries a flattened base, allowing the user to safely remove seatbelts, bandages or clothing without causing further injury to the casualty.
Scissors are 17.5cm in length.
