

Part Data

Tube clamps, series B (for normal mechanical stress) - Components

Part number for
clamp halves:

Polypropylene - **RBP**
inside plain - **RBPG**
Polyamide 6 - **RBN**
inside plain - **RBNG**

(Please exchange part no. in the column "clamp halves" as needed).

Clamp size	Tube o.d.		1 piece = 2 clamp halves (1) Polypropylene RBP	-Hexagon head - SSB	Screw - Cap screws - ISB	- Stacking - ASB
	a1	a2
