

Essette Recycle Folder A4

Eco-friendly A4 document folder made from 100% recycled plastic (industrial waste/offcuts or production leftovers: externally tested by UL). For protecting documents on the go and organising papers at work and at home. The entire product can be reused and recycled again. It is packed in a cardboard box which is also 100% recycled and recyclable. Made in Europe.

Attributes

- A4 folder for carrying, protecting and presenting documents with easy access to content thanks to top and right side opening
- Made from 100% recycled plastic (industrial waste/offcuts or production leftovers; externally tested and certified by UL), 100% recyclable
- Durable and long-lasting premium quality ensures you can re-use time after time
- Ideal for organising papers during travel as it takes little space and is easy to slide into a laptop bag or backpack
- Format A4 with top and right opening, ideal for use in office, home office and school
- Embossed mat surface with premium quality film of 100 mic thickness
- Copy safe film prevents text lifting from paper to plastic
- Acid free material prevents paper to get yellowish in time, perfect for long lasting archiving of important documents
- The packaging of the product is made from 100% recycled board and is 100% recyclable
- We help clean the world from waste by turning it into new high quality and fully functional products which can also be added to the recycling cycle again
- Recycled content externally audited and certified by UL
- Made in Europe
