

Kresto® Special WIPES

Specialist Heavy Duty Hand Cleaning Wipes

PRODUCT DESCRIPTION

Tough, extra large wipes for use without water. Impregnated with powerful, solvent based cleaning agents to remove specialist adherent contaminants.

WHERE TO USE

For use without water in industrial environments, including print and paint shops where specialist adherent contaminants are encountered. Suitable for use at the work station or by mobile workers where water is not conveniently available.

INSTRUCTIONS FOR USE

- Use a single wipe directly on hands
- Rub well until soiling is removed
- No rinsing necessary
- Dispose of used wipes in waste bin. Do not flush down toilet

FORMAT: **WIPES**

FEATURES	BENEFITS
Impregnated with a highly effective liquid solvent system	Combines dibasic esters with ethanol for a highly effective cleaning blend to quickly and safely remove adherent contaminants, such as printers inks, synthetic, 2-pack and cellulose paints, base coats and lacquers, body fillers, adhesives and sealants plus most other print and paintshop contaminants.
Skin friendly	Proven to be mild to the skin and has excellent cleaning properties, even with super heavy contamination.
Tough, extra large wipes	Strong and absorbent, acting quickly and effectively leaving no sticky after-feel.
Contain Glycerin	Skin moisturisers to help prevent drying, leaving the skin feeling smooth after use.
Citrus fragrance	Makes the product pleasant to use and leaves the skin smelling fresh.
Versatile and convenient	The handy, easy-to-use tub can be used on-the-move or kept at the work point and used as required with no need for water.
Hygienic	Stored in a sealed container to protect from contamination and ensure that each wipe is fresh when used.
Silicone-free	Suitable for use in any production sites where paint and surface coating processes are undertaken.

Specialist Heavy Duty Hand Cleaning Wipes

STATUTORY REGULATIONS

This product is a cosmetic product regulated by and complying with Regulation EC No 1223/2009 (as amended) on Cosmetic Products. Contains biodegradable surfactants in accordance with the Detergents Regulation 648/2004 (as amended).

SAFETY DATA SHEETS

For Safety, Environmental, Handling, First Aid and Disposal information please refer to the Safety Data Sheet which can be downloaded from www.debgroup.com/msds.

SHELF LIFE

This product has a shelf life of at least 30 months from the date of manufacture when stored unopened at room temperature. For shelf life after opening: see indication on packaging.

QUALITY ASSURANCE

SC Johnson Professional products are manufactured in facilities which follow cosmetic Good Manufacturing Practice (cGMP) requirements.

All raw materials used for production undergo a thorough quality control process before being used for manufacturing in SC Johnson Professional's high quality products.

All finished goods are subject to intensive quality testing before being shipped out to our customers.

PRODUCT SAFETY ASSURANCE

Skin Compatibility Test

Clinical dermatological tests have been conducted to assess the skin compatibility of the product using voluntary test persons in semi occlusive, 48 consecutive hour application models. These tests, as well as in practical use, have proven that the product has very good skin compatibility. Skin compatibility expert reports are available upon request.

Toxicological Approval

The product has been independently assessed for human toxicity and product stability. It is declared safe for intended use, meeting all relevant regulatory requirements.
