RS PRO Cable Clip Black Screw Plated Steel P Clamp, 20mm Max. Bundle

RS Stock No.: 186-5397

RS Professionally Approved Products bring to you professional quality parts across all product categories. Our product range has been tested by engineers and provides a comparable quality to the leading brands without paying a premium price.

Product Description

From RS Pro, this robust P Clip is ideal for securely holding pipes, cables and hoses in permanent or semi-permanent installations. The plated steel clip has a rubber insert which offers a secure grip which minimizes shifting. The clamp simply wraps around the cable or conduit, and screws together into a fixed surface. This simple affixing method ensures versatility as to where the clamp can be placed.
