

Change Notification

- Product Change Notification (PCN)
- Manufacturing Change Notification (MCN)
- End Of Live Notification (EOL)

Change No.: PCN130616HU

Reference: CR10001701

Category of change:

- M**aterial
- M**ethod
- M**anufacturing place
- M**achine
- F**orm
- F**it
- F**unction

Affected products:

Refer to separate XLS list, including FN and FS products.

Description of change:

Due to harmonization of our raw materials the manufacturer of insulation tube will be changed. The technical specification does not change. The color may differ.

Identification:

See the color of new insulation tube:

Neither thickness nor mechanical strength of the insulating tube will change.

Introduction date:

Products will be changed starting September 1st 2016.

Impact for the user:

No impact, but the customer may notice the changed color.

Quality assurance measures:

All Schaffner entities involved in this change act according to the rigorous processes defined under the ISO 9001:2008 program, or exceeding Schaffner standards for outstanding quality.

Questions and feedback:

For questions and feedback regarding the change described above, please get in touch with your local Schaffner office or authorized Schaffner representative.

Others:

Please address specific questions to Holger Urban, Schaffner Luterbach, Switzerland.
