RS PRO 2 Piece Electricians Tool Kit with Foam Inlay

RS Stock No.: 833-5966

RS Professionally Approved Products bring to you professional quality parts across all product categories. Our product range has been tested by engineers and provides a comparable quality to the leading brands without paying a premium price.

Product Description

From the trusted RS PRO brand, this two-piece wire stripper set contains an automatic wire stripper and cable crimper is an ideal addition to the electrician's toolbox. The automatic wire stripper presents a quick and strain-free way of stripping the insulation from a variety of wire sizes. The automatic crimper has three sizes for terminating crimp terminals onto wires. Combined, this set is excellent for preparing cables for connection.
