

FEATURES

- **Steel Cable Material:** Offers durability and long-lasting performance in demanding conditions
- **Sheet Metal Housing:** Provides robust protection for internal components, ensuring longevity
- **3 kg Load Capacity:** Suitable for a variety of tools, enhancing versatility
- **3 m Maximum Travel:** Allows for extended reach and flexibility in tool handling
- **Locking Mechanism:** Ensures tools are securely held in place, preventing accidental drops
- **Tension Adjustment:** Customisable tension settings for optimal tool balance and control
- **1.5 kg Weight:** Lightweight design for easy installation and handling

RS PRO 3 kg Tool Balancer, 3 m Maximum Travel

RS Stock No: 665-621

RS Professionally Approved Products bring to you professional quality parts across all product categories. Our product range has been tested by engineers and provides a comparable quality to the leading brands without paying a premium price.

Product Description

The RS PRO Tool Balancer is designed to enhance productivity and safety in industrial environments by providing a reliable solution for managing tools. With a load capacity of 3 kg and a maximum travel of 3 m, it ensures ease of use and reduces operator fatigue.

General Specifications

Cable Material	Steel
Load Capacity	3 kg
Locking Mechanism	Yes
Maximum Travel	3 m
Product Type	Tool Balancer
Tension Adjustment	Yes

Mechanical Specifications

Housing Material	Sheet Metal
Length	330 mm
Weight	1.5 kg
