

## Features

- Reflection breaking surface to reduce glare and improve operator comfort
- Prevention of sliding of delicate components to excellent friction coefficient
- Heat resistance
- Suitable for loose laying
- Good resistance to scratches and excellent flexibility and comfort

## RS PRO ESD Workstation Kit With Swiss Plug

RS Stock No.: 0707117

RS PRO is the own brand of RS. The RS PRO Seal of Approval is your assurance of professional quality, a guarantee that every part is rigorously tested, inspected, and audited against demanding standards. Making RS PRO the Smart Choice for our customers.

## Product Description

### RS PRO ESD Workstation Kit

This field kit from our RS PRO range has all the equipment you need to turn your worktop into an effective ESD (electrostatic discharge) workstation.

When working with electronic equipment, it's important to prevent ESD as it can impair the performance of electronic components. The kit has workspace or environment needed to build a static controlled workspace or environment items such as laptops, tables, PCB's, Computer parts, Medical equipment and audio devices.

#### Benefits and Features:

- Reflection breaking surface to reduce glare and improve operator comfort
- Prevention of sliding of delicate components to excellent friction coefficient
- Heat resistance: does not melt or burn coming into contact with hot metal parts or soldering debris
- Suitable for loose laying: does not require application with adhesive
- Good resistance to scratches and excellent flexibility and comfort

#### Kit includes:

- 1 x Static Dissipative Mat (600 x 1200mm), Blue
- 1 x 10mm Wrist Band Adjustable Hypo Allergenic
- 1 x 10-10mm 12ft Straight Earth Lead
- 1 x 10-10mm Coiled Earth Lead
- 1 x 3 x 10mm ESD Bonding Plug (Swiss Plug)
- 1 x 150 x 300mm Protected Area Sign Self Adhesive
