- This Penetration Fluid is a versatile product for industrial and domestic
- The spray protects against rust and corrosion for a long time
- This Multi-Use Product is a low pour Lubricant
- Easy and precise lubrication process

## RS PRO Lubricant Multi Purpose 400ml Penetrating

RS Stock No.: 136-8552

RS Professionally Approved Products bring to you professional quality parts across all product categories. Our product range has been tested by engineers and provides a comparable quality to the leading brands without paying a premium price.

### Product Description

This multi-purpose Lubricant has a sturdy double action that perforates and lubricates mechanical parts. The Fluid applied produces a highly water-resistant film, which excludes moisture, providing long-term corrosion protection. We are proudly introducing RS PRO Penetrating/Easing Fluid that acts as a versatile must-have product, which everyone should have in their garage or home. The grease prevents squeaking in numerous mechanical assemblies, including locks, hinges, bolts, piping, or sliding surfaces.
