

8100 SA 13 Zyklus Comfort ratchet set, reversing lever, 1/4" drive, metric, 15 pieces

EAN: 4013288236753
Part number: 05004022001
Article number: 8100 SA 13

Size: 190x115x70 mm
Weight: 718 g
Country of origin: CZ
Customs tariff number: 82041100

- 15-piece Zyklus Comfort ratchet set; 1/4"; sockets in metric sizes
- Zyklus Comfort ratchet with pleasant feel thanks to the plastic sleeve, which also protects surfaces from damage
- Ratchet in extremely slim design; fine toothing with 80 teeth, short return angle of only 4.5° for easy working even in very confined spaces
- Safe socket lock via push button, convenient direction change thanks to the reversing lever
- 1/4" Zyklus wobble extension with swivel angle of 15° in all directions
- Compact textile box with twist-to-unlock system: the tools are securely stored, yet easy to remove
- Textile box made of robust material, protects surfaces from damage, can be docked onto the Wera 2go system

15-piece ratchet set, 1/4", sockets in metric sizes. One Zyklus Comfort ratchet with reversing lever, fine-toothed with 80 teeth, low return angle of only 4.5°; 12 Zyklus sockets with Take it easy tool finder: colour coding by size and extra laser-engraved size indication to find the required tool quickly; one Zyklus extension (150 mm long) with fast-rotating sleeve for fast "spinning", one Wobble extension with pivoting angle of 15° in all directions. One robust textile box, compact design for space-saving tool storage; the firm and light material of the textile box lowers the weight of the set - ideal for mobile use.

For small spaces

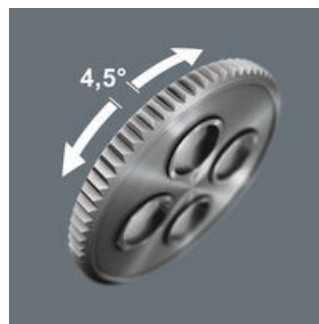

15-piece Zyklop Comfort ratchet set; 1/4"; sockets in metric sizes

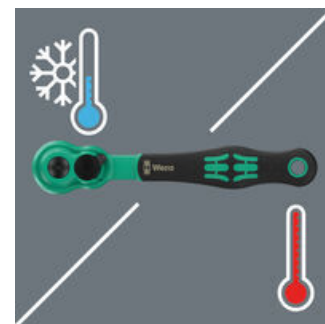

With its extremely slim design, the Zyklop Comfort ratchet allows easy working even in very confined spaces.

Fine-tooth design

With its fine toothing with 80 teeth, the Zyklop Comfort ratchet allows a short return angle of only 4.5°.

Plastic coated

The plastic sleeve makes working comfortable and safe even at extremely low or high temperatures.

Switch lever

Switch lever for convenient change of direction.

Ball lock

The ball lock ensures sockets and accessories fit securely, providing increased safety during operation. A short press on the release button allows the tool to be changed quickly.

Take it easy tool finder system

Take it easy tool finder system - with profile and size colour-coding for quick and easy tool selection. Colour-coded system for hexagon drive screws (L-Keys, Zyklop bit sockets), external hex drive screws and nuts (Joker wrenches, Zyklop sockets and Zyklop bit sockets with holding function), and TORX® drive screws (L-Keys, Zyklop bit sockets).

Easy removal of the ratchet

Thanks to the twist-to-unlock system, the ratchet can be easily removed.
