## RS PRO Rectangular Safety Tag, Synthetic Material

RS Stock No: 694-393

RS Professionally Approved Products bring to you professional quality parts across all product categories. Our product range has been tested by engineers and provides a comparable quality to the leading brands without paying a premium price.

## Product Description

The RS PRO Rectangular Safety Tag is designed to enhance workplace safety by clearly indicating equipment status and operational hazards. Made from durable synthetic material, this safety tag is suitable for both indoor and outdoor use, ensuring visibility and durability in various environments. Ideal for lockout/tagout procedures, it helps prevent accidental equipment operation, thereby safeguarding personnel and machinery.
