

Datasheet

Industrial Cable Protectors

Product Details

Specifically designed to endure harsh outdoor environmental conditions.

- Protects larger cables from damage
- Stops tripping and falling
- Keeps multi cables tidy
- Can be used outdoors
- Ideal for use in industrial locations
- Halogen Free and UV stabilised
- Non Conductive to BS903 - C5 500V. Fire retardant to BS476 Part 7 Class 3

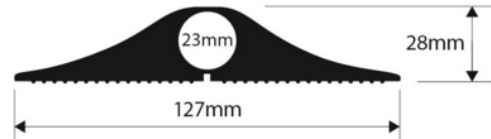

Type A

Available in 9m lengths

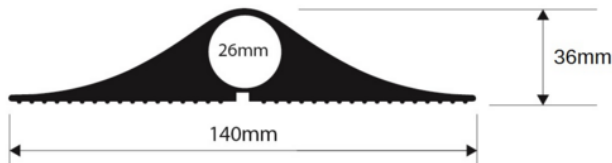

Type F

Available in 9m lengths

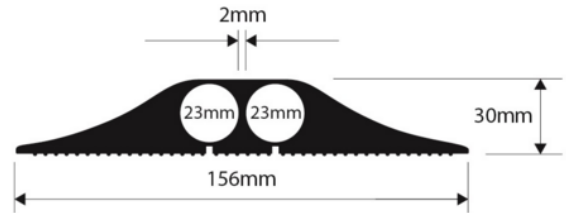

VCP26 **NEW**

Available in 4.5m lengths

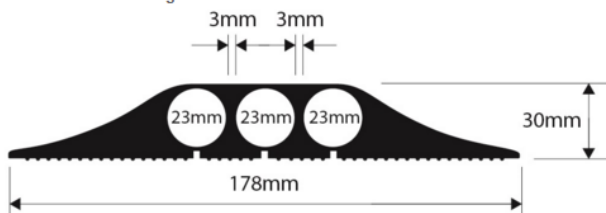

Type FF

Available in 4.5m lengths

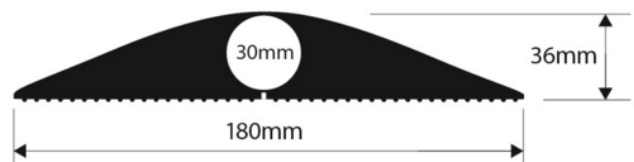

Type FFF

Available in 4.5m lengths

Type G

Available in 4.5m lengths

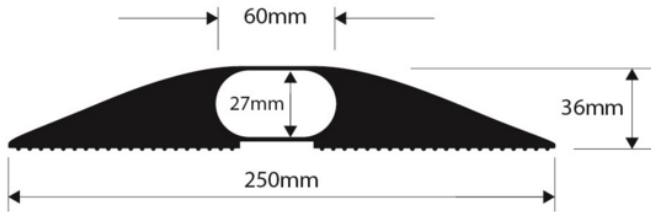

Datasheet

Industrial Cable Protectors

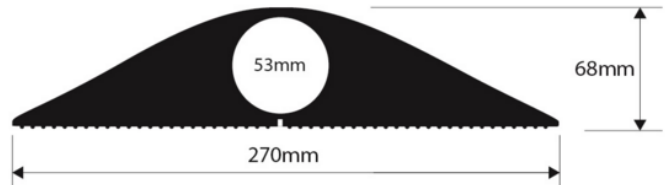

Type H

Available in 1.5m lengths

Type J

Available in 1.5m lengths

Type JJ **NEW**

Available in 1.5m lengths
