RS PRO Air Duster

RS Stock No.: 0441181

RS PRO is the own brand of RS. The RS PRO Seal of Approval is your assurance of professional quality, a guarantee that every part is rigorously tested, inspected, and audited against demanding standards. Making RS PRO the Smart Choice for our customers.

Product Description

The RS PRO 200ml air duster is aerosol of compressed gas created for the safe removal of dust and airborne contamination from delicate or inaccessible areas of electrical and electronic equipment. This colourless and non-flammable air duster is particularly useful for very intricate equipment or items that are difficult to move for cleaning or maintenance. For best results, use it in a vertical position or at an angle of no greater than 60° to avoid freezing.

General Specifications

Package Size	200ml
Delicate and Optics Use	Yes
Invertible	No
Flash Point (°C)	None
Boiling Point (°C)	-26.2
Colour	Colourless
Package Type	Aerosol

Approvals

Compliance/ Certificates	ANSI/ESD S20.20:2014, BS EN 61340-5-1:2007
