Legacy 3M Stock #: 70071731767, Your Catalogue #: Manage

- 3M's innovative temple design features slotted ribs that provide comfortable pressure equalization, allowing the temples to flex and self-adjust to the size of the wearer's head.
- Curved temples apply pressure to the less sensitive back of the head, instead of the temples, achieving a comfortable fit even during rapid head movement.
- Lenses are angled to help accommodate high cheekbone structure
- Soft nose pads help safety eyewear fit securely on a low nose bridge
- Choose from models with anti-fog/anti-scratch or 3M™ Scotchgard™ Anti-Fog coating.
- U6 rated polycarbonate lenses absorb 99.9% of UVA, UVB, and UVC rays between 200 nm and 380 nm
- Workers can feel confident wearing 3M eye protection that meets the Impact-Rated Protector requirement of the ANSI-ISEA Z87.1 Standard
