

#### Description

Water resistant and high temperature stable grease fortified with solid lubricant. Designed to provide effective long term lubrication even under shock loading conditions, but with a clean, white grease. Suitable for a variety of applications and industries such as industrial, automotive, marine and household/retail.

- Designed for long term lubrication of chains, pins, bushes, links, cable mechanisms, hinges, locks and similar applications
- Penetrates and leaves behind an adhesive waterproof lubricant that prevents seizure and further water ingress
- Grease will not 'fling off'
- Also suitable for areas such as fans, blowers, roller channels, chains, conveyor, bearing, gears, pneumatic tools and blades
- Based on FUCHS RENOLIT CZ2 technology also known as RENOLIT GREASE SPRAY

#### Directions for use

Shake well before use. Hold in an upright position, spraying from a distance of 30cm.

#### DANGER

Contains: Hydrocarbons, low viscosity.  
Extremely flammable aerosol. Pressurised container:  
May burst if heated. Causes skin irritation. May cause drowsiness or dizziness. Toxic to aquatic life with long lasting effects. Keep out of reach of children. Keep away from heat, hot surfaces, sparks, open flames and other ignition sources. No smoking. Do not spray on an open flame or other ignition source. Do not pierce or burn, even after use. Avoid breathing dust/ fume/ gas/ mist/ vapors/ spray. Do not get in eyes, on skin, or on clothing. Avoid release to the environment. Protect from sunlight. Do not expose to temperatures exceeding 50°C/122°F.

## WHITE GREASE

### Waterproof grease spray

Contains rust inhibitors,  
Anti-wear and extreme pressure additives  
Tackiness improvers  
White, clean looking grade  
Highly water resistant calcium soap base  
Excellent boundary lubrication  
Prevents seizure  
Enhanced water resistance  
No CFC propellants - Ozone friendly
