

## Features

- **Heavy-Duty Performance** – Designed for industrial and commercial applications.
- **Effective Impact Absorption** – Minimizes damage to surrounding structures.
- **Versatile Use** – Protects vehicles, loading docks, and buildings.

## RS PRO Trapezium Dock Bumper 330mm Length x 250mm Width x 100mm Height SBR/NR

Vendor Partcode.: 0688200

RS PRO is our own brand range and brings you a wide range of high-quality, great value products offering you more choice. Trusted by engineers all over the world, every part of every RS PRO product has been rigorously tested against demanding industry standards; they're only given the RS PRO Seal of Approval if we're confident of their exceptional quality, which means you can be confident too.

Product Description IBUTE

*RS PRO Trapezium 2-Hole Dock Bumper is an essential safety solution designed to protect vehicles, loading docks, and surrounding structures from heavy impacts and collisions. Whether used in industrial settings or commercial garages, this bumper ensures long-lasting durability and maximum impact absorption, reducing the risk of damage in high-traffic environments.*

*Constructed from high-quality TPX material, the bumper provides exceptional resilience, standing up to frequent and intense use while maintaining its protective properties. Its trapezium shape allows for optimal shock absorption, ensuring a secure and stable buffer between vehicles and loading surfaces*

## Specifications

<b>Material</b>	SBR/NR
<b>Colour</b>	Yellow
<b>Length</b>	330mm
<b>Width</b>	250mm
<b>Height</b>	100mm
<b>Hardness</b>	75ShA
<b>Weight (Kg)</b>	7

## Approvals

<b>Standards Met</b>	REACH
