TECHNICAL SPECIFICATIONS

- Light puffer jacket with 140g polyester wadding for the body and 120g for the collar. Contrasting Parade Orange lining.
- Subtly contrasting reinforcements: sides and back collar.
- Parade collar protects the back of the neck from the cold.
- Inverse YKK zip in the middle of the front, avoiding dust penetration through the knit.
- Invisible low pockets, in the seam. Vertical zip pocket inside the jacket.
- Armholes can be tightened by a thin elasticated cord.
