

Splitter Box Extension Outlets

We manufacture a range of extension boxes to perform various functions
 Provide residual current protection (RCD) against electric shock
 Provide overload protection (MCB)
 Socket conversion from UK domestic (BS1363) to IEC industrial (BS EN 60309 / BS4343)
 Provide multiple 110V outlets

The units have the following features

- Enclosed GRP boxes
- Rugged construction
- IP44 protection

Model	Input & Socket	Output & Socket	Protection		
 EOU2/MCB	110V Industrial 16A BS EN 60309	2 x 110V Industrial 16A BS EN 60309	1 X 16A MCB		
 EOU2X32/GRP	110V Industrial 32A BS EN 60309	2 x 110V Industrial 32A BS EN 60309	N/A		
 EOU1/ELCB	230V Domestic 13A BS1363	1 x 230V Industrial 16A BS EN 60309	30mA RCD		
 EOU1/ELCB 13A	230V Domestic 13A BS1363	1 x 230V Domestic 13A BS1363	30mA RCD
