RS Stock number 902-6896

### **Description:**

Metal casing IP66, 30mm width 1 cable inlet for M20x1.5 cable gland Adjustable lever with Ø18mm nylon roller **Z11**: Snap action contacts (1NO+1NC)

## **Specification:**

|   |                  |         | Metal Casing   |
|---|------------------|---------|--|
| Standards   |                  |         | Devices conform with international IEC 947-5-1                               |
| Standards   |                  |         | and European EN 60 947-5-1 standards   |
| Certifications - Approvals                                  |                  |         | UL - CSA - IMQ   |
| Air temperature near the device                             |                  |         |  |
