RS PRO 6-Lock Stainless Steel Lockout Hasp

RS Stock No: 694-357

RS Professionally Approved Products bring to you professional quality parts across all product categories. Our product range has been tested by engineers and provides a comparable quality to the leading brands without paying a premium price.

Product Description

The RS PRO 6-Lock Stainless Steel Lockout Hasp is designed to provide a secure and reliable solution for locking out equipment during maintenance or repair work. Made from durable 304 stainless steel, this lockout hasp ensures safety by allowing multiple workers to lock out a single energy source, preventing accidental energisation.
