

## FEATURES

- **High Visibility Design:** The red background with white legend ensures the tag is easily noticeable, reducing the risk of accidental equipment use.
- **Durable ABS Material:** Constructed from robust ABS material, providing long-lasting performance in demanding environments.
- **Compact Size:** With dimensions of 92 mm by 41 mm, the tag holder is suitable for use in confined spaces without obstructing operations.
- **Rectangular Shape:** The shape allows for easy attachment and clear display of safety messages.
- **Includes 40 Cable Ties:** Comes with sufficient cable ties for securing tags to various equipment, enhancing versatility.

## RS PRO Red Safety Mini Tag Holder Set, 40 Cable Tie

RS Stock No: 710-499

RS Professionally Approved Products bring to you professional quality parts across all product categories. Our product range has been tested by engineers and provides a comparable quality to the leading brands without paying a premium price.

## Product Description

This RS PRO Safety Mini Tag Holder Set is designed to enhance safety protocols by clearly marking equipment that should not be used. The set includes 40 cable ties, making it ideal for multiple applications in industrial environments. The bold red and white design ensures high visibility, effectively communicating the message "DO NOT USE THIS EQUIPMENT."
