RS PRO 100 Key Capacity Steel Key Cabinet

RS Stock No: 676-895

RS Professionally Approved Products bring to you professional quality parts across all product categories. Our product range has been tested by engineers and provides a comparable quality to the leading brands without paying a premium price.

Product Description

The RS PRO Key Cabinet is designed to securely store and organise up to 100 keys. Constructed from durable steel, this wall-mounted cabinet is ideal for environments where key management is critical, such as offices, schools, and industrial facilities. Its light grey finish ensures it blends seamlessly into any setting while providing robust security.
