- **Nylon Material:** Offers flexibility and strength for various applications
- **Black Colour:** Provides a discreet and professional appearance
- **RoHS Compliant:** Meets safety and environmental standards

RS PRO UV Protected Cable Tie, 250 mm Nylon

RS Stock No: 656-028

RS Professionally Approved Products bring to you professional quality parts across all product categories. Our product range has been tested by engineers and provides a comparable quality to the leading brands without paying a premium price.

Product Description

RS PRO UV Protected Cable Ties are designed for securing and organising cables in outdoor environments. Made from durable nylon, these cable ties offer excellent resistance to UV radiation, making them ideal for long-term outdoor use. With a maximum bundle diameter of 68 mm, they provide a reliable solution for managing cables efficiently.
