

Addressing all occupational skin care needs in one range

Use the Deb Stoko 4-Step Approach to Superior Skin Care

STEP 1: **PROTECT** PRE-WORK CREAMS

- Help to prevent the penetration of contaminants
- Make skin easier to clean

STEP 2: **CLEANSE** HAND CLEANSING

- Removes harmful contaminants and irritants, keeping skin in a healthy condition

STEP 3: **SANITISE** HAND SANITISERS

- Provide a higher level of hand hygiene and skin disinfection
- Kill 99.999% of many common germs

STEP 4: **RESTORE** AFTER WORK CREAMS

- Prevent damage to the skin by moisturising and conditioning it

Make Hands Matter in the Workplace
