RS Pro L, T Shape Long Arm Hex Key Set 15 pieces Steel

RS Stock No: **833-5913**

Product Details

RS Pro 15 piece long arm hex key set is made of steel and it is of type L, T shape. This professional precision hex key set is stored in an EVA foam tool module to use in the RS range of roller tool cabinets and chests. It comes with bright red foam that helps to identify missing parts quickly. It has soft grip ergonomic handle for reduced fatigue and easier operation. It contains 9 piece ball end hexagon key set with a polished finish in a plastic caddy for easy transportation and 6 piece T handled hex key set with phosphated tips for strength and corrosion protection.
