

FEATURES

- **Releasable design:** Allows for easy adjustments and reusability, reducing waste and cost.
- **Nylon material:** Provides strength and durability for long-term use.
- **Length of 250 mm:** Suitable for bundling larger cable groups.
- **Tensile strength of 222 N:** Ensures secure fastening of cables.
- **Maximum bundle diameter of 65 mm:** Accommodates a wide range of cable sizes.
- **Operating temperature up to 85 °C:** Suitable for use in various thermal conditions.

RS PRO Releasable Cable Tie, Nylon 250 mm

RS Stock No: 656-082

RS Professionally Approved Products bring to you professional quality parts across all product categories. Our product range has been tested by engineers and provides a comparable quality to the leading brands without paying a premium price.

Product Description

These RS PRO releasable cable ties are designed for secure and efficient bundling of cables and wires. Made from durable nylon, they offer a reliable solution for managing cable organisation in various environments. The releasable feature allows for easy adjustments and reusability, making them ideal for dynamic setups.

General Specifications

Colour	Blue
Product Type	Cable Tie
Sub Type	Releasable
Tensile Strength	222 N

Mechanical Specifications

Length	250 mm
Material	Nylon
Maximum Bundle Diameter	65 mm
Width	4.5 mm

Operation Environment Specifications

Maximum Operating Temperature	85 °C
-------------------------------	-------

Approvals

Standards/Approvals	ANSI-ESD S20.20:2021, FDA, RoHS, UL
---------------------	-------------------------------------

Protection Category

UV Resistant	No
