RS PRO Rubber Mallet with Varnished Ash Wood Handle, 65mm Head Diameter

RS Stock No.: 0747552

RS Professionally Approved Products bring to you professional quality parts across all product categories. Our product range has been tested by engineers and provides a comparable quality to the leading brands without paying a premium price.

Product Description

The RS PRO Rubber Mallet is designed for applications requiring soft, non-marring strikes. Its durable rubber head ensures gentle impact, making it ideal for delicate surfaces and precision work. The varnished ash wood handle provides a comfortable grip and excellent balance, reducing fatigue during extended use. This mallet is suitable for woodworking, assembly, and general maintenance tasks.
