This is all to enhance customer satisfaction by meeting customer requirements.

## CHSA

All products meet the CHSA Soft Tissue Standard, which means that product specifications stated on the label are exactly what you receive.

## BRCGS

BRCGS accreditation means Whisper® products guarantee the standardisation of quality, safety and operational criteria and ensure that we fulfill our legal obligations and provide protection for you, the end consumer.

## FSC®

FSC runs a global forest certification system with two key components:

- Forest Management
- Chain of Custody

The FSC system allows businesses and consumers to identify and purchase paper, and other forest products, made with materials from well-managed forests and / or recycled sources. Look out for our certified products.
