

Features

- 3-stage and 4-stage flange status control tags
- Sequential numbering system
- Tear-off audit sections
- Oil, water & chemical resistant
- Weatherproof & tear-resistant construction
- Writable inspection & torque recording area
- Designed for commissioning, shutdown & turnaround projects
- Ensures joint traceability & compliance

RS PRO 4-Stage Flange Tags - Standard

RS Stock No.: 0802245

RS PRO is the own brand of RS. The RS PRO Seal of Approval is your assurance of professional quality, a guarantee that every part is rigorously tested, inspected, and audited against demanding standards. Making RS PRO the Smart Choice for our customers.

Product Description

- **Complete Flange Traceability System** - Ensures every joint is uniquely identified, documented, and tracked — critical in high-risk flange environments.
- **Sequential Numbering for Unique Identification** - User-issued numbering prevents duplication, strengthens accountability, and ensures full traceability across projects.
- **Audit-Ready Tear-Off Sections** - Detachable sections can be retained for documentation and inspection records, supporting compliance with global safety standards.
- **Durable, Tear-Resistant & Weatherproof Material** - Resistant to oil, water, dirt, chemicals, and harsh outdoor conditions.
- **Standardised Layout for Workflow Consistency** - Improves coordination between teams, contractors, and multiple shifts.

General Specifications

Type	Flange Tags
Material	PVC
Colour	Green, Yellow, Red & White
Perforations	3
Package	PE-LD

Mechanical Specifications

Dimensions	220mm x 70mm x 0.5mm
Height	220mm
Width	70mm
Thickness	0.5mm
Weight	400 Grams

Operation Environment Specifications

Withstand temperature	-20°C to 60°C
