

3PC STACKTECH® HUBS | TB-B1S3-A-50

The ToughBuilt® 3PC StackTech® Hubs is designed to bring ClipTech and StackTech systems together.

With the StackTech Hub, you can attach ClipTech pouches directly to the StackTech Tool Box Accessory Rails or ToughBuilt Garage Organisation Steel Slot Tiles. Rugged metal hooks on the back of the Hub provide a secure hold for loaded ClipTech pouches. The standout feature of the StackTech Hub is the quick-release button. It allows you to reposition a Hub on the StackTech and Garage Organisation systems with a simple push of a button to suit the needs of your current project or move the ClipTech pouch between the workshop and the jobsite with ease. Increase your efficiency and productivity by adding the StackTech Hub to your StackTech tool box or Garage Organisation setup.
