

## Features

- Push mounting
- Colour: **Natural**
- Double lock design

## RS PRO Cable Clamps

RS Stock No.: 0765922

RS PRO is the own brand of RS. The RS PRO Seal of Approval is your assurance of professional quality, a guarantee that every part is rigorously tested, inspected, and audited against demanding standards. Making RS PRO the Smart Choice for our customers.

## Product Description

Easy to install PCB support, with a double locking design that ensures it cannot be removed easily.

## General Specifications

|                 |                                      |
|-----------------|--------------------------------------|
| Colour          | Natural                              |
| Material        | Nylon 66                             |
| Fire Behaviour  | Self-Extinguishing within 30 seconds |
| Self Adhesive   | No                                   |
| Fixation Method | Push-through                         |

## Mechanical Specifications

|                        |       |
|------------------------|-------|
| Space                  | 4.8mm |
| PCB Hole (M1)          | 4.0mm |
| PCB Thickness (T1)     | 1.8mm |
| Chassis Hole (M2)      | 4.8mm |
| Chassis Thickness (T2) | 2.5mm |

Approvals

|                |                    |
|----------------|--------------------|
| Certifications | Halogen-free, RoHS |
| Standards Met  | UL                 |
