Equipment marking, Aluminum label, aluminum color, unlabeled, can be labeled with: BLUEMARK ID, BLUEMARK ID COLOR, BLUEMARK CLED, BLUEMARK E.CARD, mounting type: latching, Number of individual labels: 1, text field height: 30 mm, text field width: 60 mm

Product description

Note:

Due to the current challenges of the global procurement market, Phoenix Contact has unfortunately been forced to accept an aluminum alloy material quality that may cause the appearance to deviate from the homogenous surface quality that was previously expected. This has no impact on the quality of the aluminum labels themselves or the durability of the printing. The effect is purely visual.

Your advantages

- The markers can be marked quickly, easily, and inexpensively with the BLUEMARK CLED
- · Aluminum equipment marking for snapping into marker carriers
- · Identification made from metal, high strength in a lightweight design
- · Increased durability due to the decoratively anodized surface

Commercial data

| Item number | 0830796 |
|--------------------------------------|---------------------|
| Packing unit | 45 pc |
| Minimum order quantity | 45 pc |
| Sales key | BG241B |
| Product key | BG241B |
