

Features

- Non-Slip high grip electrical matting.
- 4mm thick
- 1000mm wide
- 1000v protection
- 10000mm Long

RS PRO Electrical Matting 4mm thick

RS Stock No.: 0245796

RS Professionally Approved Products bring to you professional quality parts across all product categories. Our product range has been tested by engineers and provides a comparable quality to the leading brands without paying a premium price.

Product Description

High quality electrical matting with protection up to 1000v. Non-slip high grip matting. Effective electrical insulating properties. Ribbed rubber surface provides extra foot grip.

General Specifications

Length	10000mm
Width	1000mm
Thickness	4mm
Material	Rubber

Mechanical Specifications

Material	Natural Rubber (Black)
Mechanical Puncture Resistance	Greater than 70N
Slip Resistance (ISO59040)	Greater than 50N

Electrical Specifications

Class	IEC 61111 Class 0
Working Voltage	1,000 Volts
Proof Test Voltage	5,000 Volts
Withstand Test Voltage	10,000 Volts
