RCBOXRE4

Reel with universal cone adapter - 5m/50mm red

Roller box for construction cone to secure a construction site and a hazardous area. The strap has a braking and anti-panic system that automatically releases the strap in case of an emergency. The roller can accommodate up to 3 different straps and has a threaded hole for attaching an information panel. Suitable for outdoor use due to its waterproof box. A wide range of options is available: information panel, wall receiver, and strap customization.

Customs code	3926909790
