**P-Wave® Curve  
Air Freshener**

# A sustainable, spill-free fragrance solution that delivers powerful, long-lasting freshness with minimal impact on the planet.

At P-Wave®, we believe air fresheners should be simple and effective. With the introduction of the Curve, we're redefining the concept of freshness and bringing an unprecedented experience to your surroundings.

Up to 50 times more potent than your conventional toilet rim stick, the Curve Air Freshener is designed to uplift and invigorate your environment. Available in five fragrances, it's recyclable, and low in VOCs, meeting European standards.

The Curve's versatile design allows placement on doors, bins, or under desks, and its easy installation with a holder offers instant, trackable freshness.

## FEATURES & BENEFITS

Open-air design    Aerosol-free    Long-lasting    Versatile installation    Battery-free

- Relies on air movement – position in an area with good air flow, ensuring effective and efficient fragrance release.
- The powerful 'almost anywhere' air freshener that can be fixed anywhere for coverage up to 12m2.
- Powerful 30 day fragrance formula reduces change-outs.
- No batteries, aerosols, propellants or solvents – just fragrance.
- Recyclable (where facilities exist) and contains up to 15% recycled material.

FRAGRANCE	INTENSITY	
Spiced Apple	High	
Fabulous (Lavender)	High	
Mango	Medium	
Citrus	Medium
