RS PRO Standard Hex Nut Driver Set 5 Piece

RS Stock No.: 125-3062

RS Professionally Approved Products bring to you professional quality parts across all product categories. Our product range has been tested by engineers and provides a comparable quality to the leading brands without paying a premium price.

Product Description

From the trusted RS PRO brand, this 5 Piece Nut Driver Set are the perfect tools for professionals or enthusiast. Manufactured from chrome vanadium steel, these tools are high quality and resistant to corrosion, ensuring a long and reliable tool life. With ergonomic soft-grip handles, this nut driver ensures comfort and control over long periods of use. The hollow shaft means the driver can be used with fasteners of differing depths, even when sunken.
