## RS PRO Maintenance Roll H/W 90cm x 40m 1/box

RS Stock No.: 872-5729

RS PRO is the own brand of RS. The RS PRO Seal of Approval is your assurance of professional quality, a guarantee that every part is rigorously tested, inspected, and audited against demanding standards. Making RS PRO the Smart Choice for our customers.

## Product Description

*RS PRO Maintenance XL absorbent roll is designed for effective clean up and absorption of most types of industrial fluids, including oils and fuels. The roll is perforated allowing the user to tear off smaller sections when needed. The roll features low lint layer on one side which, extends its application to wiping tools and equipment. The heavy weight version is designed for medium to large spills. It's recommended to use light weight version for smaller spills and for wiping surfaces.*
