

FEATURES

- **Rubber adhesive:** Provides strong adhesion to steel and other surfaces, ensuring durability and reliability.
- **BOPP backing material:** Offers excellent resistance to tearing and stretching, maintaining tape integrity during application.
- **Transparent colour:** Allows for easy inspection and alignment, enhancing precision in masking tasks.
- **0.04 mm thickness:** Ensures flexibility and conformability, adapting to irregular surfaces with ease.
- **75 mm width:** Covers large areas efficiently, reducing the need for multiple layers.

RS PRO 75mm Transparent Masking Tape, 60m Length

RS Stock No: 677-038

RS Professionally Approved Products bring to you professional quality parts across all product categories. Our product range has been tested by engineers and provides a comparable quality to the leading brands without paying a premium price.

Product Description

This RS PRO transparent masking tape is designed for a variety of industrial applications where precision and reliability are essential. With a length of 60 metres, it is ideal for extended use in environments requiring clear visibility and strong adhesion. The rubber adhesive ensures a firm hold on various surfaces, making it suitable for both temporary and permanent applications.

General Specifications

Adhesion Strength	Steel - 5 N/cm
Adhesive Material	Rubber
Colour	Transparent
Product Type	Masking Tape

Mechanical Specifications

Backing Material	BOPP
Length	60 m
Thickness	0.04 mm
Width	75 mm

Approvals

Standards/Approvals	ANSI-ESD S20.20:2021, REACH, RoHS
