

EC - Safety data sheet

page 1 from 4

Commercial product name	White board cleaner - refill	
Product No.:	TZ 68	Date: apr. 6, 94
Producer/ supplier:	planMASTER	Date of revision: jan.12, 96

1 Identification of the substance/preparation and of the company/undertaking

1.1 Identification of the substance or preparation:

TZ 68 white board cleaner - refill

1.2 Company/undertaking identification:

planMASTER
 Bookkoppel 7
 22926 Ahrensburg, Germany
 Tel. 04102/ 808-0

2 Composition/information on ingredients

Chemical characterization:

substance
 preparation

solution of alcoholic tensides and a special antistatic in water...

3 Hazards identification

none

4 First-aid measures

Skin contact: Wash with plenty of water.

Eye contact: Rinse carefully with plenty of clean water.

If swallowed: Drink water and consult a doctor, if necessary.

Commercial product name:	White board cleaner - refill		
Product No.:	TZ 68	Date:	apr. 6, 94
Producer/ supplier:	planMASTER	Date of revision:	jan.12, 96

5 Fire-fighting measures

Each extinguishing agent is suitable.

6 Accidental release measures

Measures for cleaning/ collecting: Flush with plenty of water.

7 Handling and storage

7.1 Information for safe handling: Keep container tightly closed.

7.2 Storage: Store at room temperature.

8 Exposure controls and personal protection

8.1 Personal protective equipment: Not required. Remove affected clothes.

8.2 Hygienic measures: Not required

9 Physical and chemical properties

9.1 Appearance: form: liquid/ colour: light/ odour: mild

9.2 Safety parameters: change in physical state: boiling point: 95 °C
freezing-point: -4 °C

flash point/ ignition temperature/ explosion limits: n.a.

relative density: 0,98 g/ml (at 20 °C)
solubility in water: in each relation miscible (at 20 °C)
pH: 7 (at 20 °C)

EC - Safety data sheet

page 3 from 4

Commercial product name:	White board cleaner - refill	
Product No.:	TZ 68	Date: apr. 6, 84
Producer/ supplier:	planMASTER	Date of revision: jan.12, 86

10 Stability and reactivity

Thermal decomposition:

Starts at boiling point.

Dangerous reactions:

No dangerous reactions if used according to specification.

Dangerous products of decomposition:

No dangerous products if handled and stored according to specification.

11 Toxicological information

No hazardous to health effects known. Usual safety and hygienic measures for using chemicals should be observed.

12 Ecological information

Product does not cause troubles in purification plants. It does not contain phosphates.

The tensides conform to EC-directives for biological decomposition.

13 Disposal considerations

Residue may be lead into a purification plant. Local regulations should be observed.

14 Transport information

No transport classification. Keep away from foodstuffs.

EC - Safety data sheet

- page 4 from 4

Commercial product name: White board cleaner - refill

Product No.: TZ 68

Date: apr. 6, 94

Producer/ supplier: planMASTER

Date of revision: jan.12, 96

15 Regulatory information

15.1 Designation according to EC guidelines: none

15.2 Water hazard class: class 1 (self assessment) - slightly hazardous for water

16 Other information

These data refer to the cleaning liquid (1 litre at minimum).

These data are based on our present knowledge. However, they shall not constitute a guarantee for any specific product features and shall not establish a legally valid contractual relationship. They shall describe our product regarding the safety requirements.
