

STANLEY

STANLEY 20" Metal Latch Toolbox

1-94-858

Features:

- Top lid organisers accessible without opening the toolbox
- Portable tote tray included
- Soft grip handle for comfort
- Metal latches for long life
- Padlock eye enables toolbox to be locked

Description:

The STANLEY 20" Metal Latch Toolbox has been built with a ergonomic soft grip handle, and sturdy metal latches for added durability. The portable tote tray can be placed within the storage unit for smaller accessories. The two top lid organisers can be used to conveniently store small components and accessories.
