RS PRO Small Flood Defence Barrier, 530mm Height x 700mm Wide

Vendor Partcode.: 0606353

RS RS PRO is our own brand range and brings you a wide range of high-quality, great value products offering you more choice. Trusted by engineers all over the world, every part of every RS PRO product has been rigorously tested against demanding industry standards; they're only given the RS PRO Seal of Approval if we're confident of their exceptional quality, which means you can be confident too.

Product Description

Flood Defence Barrier – Small, Robust & Reliable

This compact flood defence barrier is engineered to provide dependable protection in a variety of environments. Ideal for use in manufacturing plants, warehouses, retail spaces, offices, and public areas, the RS PRO flood defence system delivers a practical, reusable solution for flood prevention.

Versatile Applications:

Warehouses & Manufacturing: Protects valuable stock and equipment from flood damage.

Retail & Offices: Reduces potential downtime and flood-related damages.

Emergency Services & Highways: Quick deployment for flood prevention in critical areas.

Public Spaces & Local Councils: Safeguards community assets and infrastructure during flooding events.

Refer to the 'User Guide' for Assembly guidelines.
