RS Pro 10 in Chrome Vanadium Steel Standard Screwdriver, Supadriv; Pozidriv PZ2 Tip

Product Details

Screwdrivers - Standard

With the exception of Pozidriv/Supadriv™ screwdrivers which may be used on both Pozi and Supadriv™ screws it is important that the correct screwdriver is used for the recess of the screw being turned. Failure to do this may result in the tip of the driver becoming damaged where point pressure has resulted because of a missfit between tip and recess.,™ 'Supadriv' /Pozidriv' is a trade mark of European Industrial Services Ltd.,™ Phillips' is a trade mark of the Phillips International Corporation, U.S.A.

Round steel shafts fully hardened and tempered high grade chrome vanadium

Virtually indestructible cellulose acetate fluted handle for good grip

Flat bladed units have cross ground tips

Manufactured to BS2559

Specifications:
