

# 3-IN-ONE® Professional

## The 3-IN-ONE Professional Line

Whether it's freeing stuck parts, lubricating heavy machinery, cleaning engines or tools, or simply making vinyl windows operate smoothly, the 3-IN-ONE Professional Line has your needs covered.

These high-performance products may be found just about anywhere you buy WD-40.

### SILICONE SPRAY

Provides high-performance lubrication and corrosion protection, in a quick-drying no-mess formula. It's safe for use on metal, rubber, vinyl, wood, and much more. NSF H2 approved.

Lubricates: Doors, locks, hinges, belts windows, latches, zippers, switches, fishing equipment, tools, chains belts, sports equipment, lawn equipment, valves, linkages, pulleys, fans and more.

Protects: Electrical parts such as distributors, ignition wires and sparkplugs. It can also be used to protect guns, boots, tools, pool and marine equipment.

### HIGH-PERFORMANCE LUBRICANT

This advanced PTFE synthetic fluoropolymer formula provides outstanding lubrication and corrosion protection under extreme temperature, pressure and motion. It may be used on axles, bushings, cables, snow blowers, lawnmowers and garage door tracks.

Also great for sport equipment, such as fishing gear, guns and bicycles.

### HIGH-PERFORMANCE DRY LUBE

A synthetic polymer lubricant that provides superior, long-lasting lubrication and corrosion protection. It leaves no oily residue, preventing the buildup of airborne dirt and dust.

It's a no mess, no stain lubrication solution for all types of surfaces, including metal, vinyl, wood and rubber.

### HIGH-PERFORMANCE PENETRANT

This fast-acting formula loosens rusted or stuck parts, and works to remove grease and grime from a variety of surfaces. It also helps prevent rust and corrosion.

It can be used on pipes, fittings, locks, chains, nuts, lug nuts, tools or anything else that needs loosening. It is available in aerosol and drip cans.

This water and heat resistant formulation provides you with a long-lasting, heavy-duty lubricant in an aerosol can. The 3-IN-ONE Professional White Lithium Grease reduces

## WHITE LITHIUM GREASE

friction while protecting against rust and corrosion. It sprays on evenly as a liquid, and sets up dry for a thick coating. *It will not splatter, melt, run, wash off or freeze.*

**3-IN-ONE Professional White Lithium Grease has a variety of uses:**

**Automotive:** Hinges, locks, latches, seat tracks, strike plates, cables, distributor cams, battery terminals, radio antennas, windshield wiper mechanisms, bolts, bearings and more.

**Home:** Sliding doors, windows, hinges, appliances, lawn and garden equipment, garage door tracks, chains, screws, guns and tools.

**Marine:** Trailer rollers, winches, turnbuckles, shackles, bearings, slides, motor pivot points and all external moving parts.

**Shop:** Machinery, fans, blowers, roller channels, chains, conveyor, bearing, gears, pneumatic tools, blades and bits.

## HEAVY-DUTY CLEANER DEGREASER

The deep penetrating citrus foaming action quickly removes grease, oil, dirt and grime from engines, tools and equipment.

Works great on lawnmowers, chainsaws, power equipment, automotive, truck engines and parts, as well as gears chains, pulleys and industrial machinery.

## ENGINE STARTER & CONDITIONER

This exclusive non-ether formula quickly starts and lubricates gas and diesel engine while minimizing engine wear. It quickly starts lawn and riding mowers, hedge trimmers, leaf blowers and power washers.

Also works great on chainsaws, rototillers, outboard motors and other power equipment.
